

Lopez and Scott Lead Tigers to Regionals!

The Tiger's cross country team entered Friday's district race at Al Lopez with hopes of a district title and a qualifying spot for next week's race at Lake Park. When the race was finished Blake Lopez had placed fourth and Zach Scott placed in the top ten and the Tigers placed third overall. While not winning the district title was disappointing, the Tigers accomplished the more impressive goal of qualifying as a team for regional competition next week at Lake Park in Tampa. While the Tigers were bolstered by Lopez and Scotts top ten finishes, Joey Gonzalez and Will Emmanuel had career best races to make a strong team showing for the Tiger harriers. If the Tigers have hopes of making it past regional competition they will need another strong overall team effort like the one they posted this past Friday.

In the open race at Al Lopez on Friday, the Tigers looked dominating sweeping the first six spots in the race. Cody Cash took first overall but he was followed closely by Joe Remo and Paul Perry. PJ Darby, Jacob Gourley, and Chris Deleon rounded out the sweep for the Tigers. Congratulations to the Tigers cross country team on their qualifying for regional competition.
