

### Wikipedia, Rupp Inspire Tigers to Victory Over Previously Unbeaten Durant

Early Thursday afternoon the Tiger football team was surrounded by a gym full of maniacal students during a pep rally. Athletic director, Terry Rupp, defined the Tiger's opponent as the tamest cat in the jungle often hunting butterflies and lady bugs. Both appeared to have riled the manes of the varsity football Tigers leading them to a decisive twenty four to zero victory over the eighth ranked Cougars. The Tiger's defense was again strong forcing Durant into three turnovers. Special teams were special with a blocked punt leading to a Bobby Eveld second quarter touchdown drive. But it was the Tiger's offense, led by a dominating performance by the biggest Tigers of all, the offensive line that was inspired the most. The line gave quarterback Bobby Eveld plenty of time to find six different receivers completing 20 of 31 passes for 295 yards and three touchdowns. Eveld completed touchdown passes to Ben Gutowski, Will Schaeffer, and Travis Johnson. The Tigers look to tame the Steinbrenner Warriors at home next Friday. Kick-off is 7:30 p.m.
