Tiger's Defense Shipwrecks the Sailors!!

Jordan Perhosky returned a fumble for a touchdown and the defense recorded a safety to lead the Tigers to a much needed victory. Coming off of a loss, in which neither the offense or defense played well, the Tigers rebounded on both sides of the football. The defense held the Sailors to twenty points and kept the punishing Sailor running game in check. Bobby Eveld and Bryce Walker hooked up early and often for 195 yards passing and eighty six yards receiving. Eveld threw for one touchdown in four quarters worth of action. Also, adding to the Tiger's offensive output was Robby Garcia who ran ninety six yards and three touchdowns. The Tigers look to continue their winning ways next week in their home opener against the Durant Cougars. Game time is 7:30 p.m.
