

Tiger JV Cross Country Team Competes in a “Friendly”

The junior varsity cross country team competed in a friendly race against Plant and Berkeley Prep yesterday at Al Lopez Park. According to Coach Greg Maurin Jesuit has hosted this friendly race for the past three years in an attempt to allow the young Tiger harriers a chance to shine. The junior varsity program has always been a place for young runners to learn how to compete and work together as a team. Both concepts that transcend to the varsity team where these young harriers hope to be a part.
