

## Jesuit Robotics Club Competes in Regional Competition March 11-13, 2010 \* University of Central Florida Arena

Entry is free the event lasts 8am to 6 pm every day. *It is a great time!*

Saturday will be the height of the competition, and a good time to come if you can only be there on the weekend. But if you want to see behind the scenes and visit the pits when the students are most available, Thursday is great for that. However, I warn you, if you come on Thursday, you will catch the fever and want to be there Friday and Saturday as well. Hoping to see you there!
