THE CHILDREN OF PUERTO MALDONADO, PERU . . .

...live a different life than all of us. Their lives are spent searching for food, seeking some kind of education, and helping their parents make shelters for their families. The life expectancy of the adults in this area is close to 30 years old. They live somewhere between the toughest neighborhoods of Lima and the jungles of Peru. It is a tough life. But it is a life filled with faith and hope.

DEACON ORLANDO CASTILLO.

...Jesuit High School's Student Government President for the Class of 2000, felt called to serve the poorest of the poor in 2002. Leaving the University of Notre Dame for seminary life, then moving to this impoverished area, Orlando has sacrificed his comfortable life in the United States to ensure a better life for the children and teens he serves in Peru. He shares the Good News by teaching, preaching, and helping families find safe shelter, education, and medical care. Our brother, Orlando, brings hope to a place filled with desperation.

HOW DO WE FIT INTO THIS PLAN?

Jorge Castillo, Orlando's brother and former Jesuit Key Club President, and Orlando approached Jesuit's Key Club to seek funding for services for these young people in Peru. The club offered to do all that we can to assist them. But it's a SECRET!!!! We will never meet these children, and they will never meet us. In so many ways, we believe this is our mission. We must serve those who need us, but who will never know us.
